PROFESSIONAL SUMMARY

Cybersecurity Analyst with experience supporting IBM enterprise AWS cloud security operations. Skilled in SOC operations, incident investigation, AWS GuardDuty, Security Hub, CloudTrail, IAM, ServiceNow, Python, and SQL.

TECHNICAL SKILLS

GuardDuty • Security Hub • CloudTrail • IAM • Amazon S3 • Amazon RDS • Amazon SES • AWS EKS • SOC Operations • Incident Response • Alert Triage • Threat Detection • ServiceNow • Python • SQL • Git • Linux

PROFESSIONAL EXPERIENCE

Cybersecurity Analyst | Artech Information Systems Pvt. Ltd. (Client: IBM)

August 2025 – Present

- Investigated **50+ enterprise cloud security incidents** and ServiceNow requests across AWS production environments.
- Performed **Tier-1 SOC alert triage, incident investigation, and threat analysis** using AWS GuardDuty, Security Hub, CloudTrail, and ServiceNow.
- Investigated GuardDuty findings involving **S3 exposure, IAM anomalies, Amazon RDS, Amazon SES, and Kubernetes workloads**.
- Reviewed **AWS CloudTrail logs** to validate suspicious activities, identify root causes, and support remediation efforts.
- Coordinated remediation through ServiceNow, contributing to an estimated **6–7% improvement in AWS Security Hub compliance score**.
- Collaborated with **cloud security teams** to strengthen enterprise cloud security posture and improve incident response.

PROJECTS

SentinelIQ – AWS Cloud Security Monitoring Platform

- Developed an **AWS-based platform** to centralize GuardDuty, Security Hub, and CloudTrail findings for improved cloud security visibility.
- Built dashboards for monitoring security events, tracking incidents, and identifying potential cloud threats.

SentinelLog – Log Analysis & Threat Detection Tool

- Developed a **security log analysis platform** that parses logs, detects suspicious activities, and classifies incidents by severity.
- Built an interactive SOC dashboard to support security investigations and incident reporting.

Threat Intelligence & Detection Dashboard

- Designed a real-time dashboard displaying global threat intelligence, attack trends, and automated threat summaries.
- Improved threat visibility through interactive security analytics and visualization.

EDUCATION

Bachelor of Computer Applications (BCA) | Bangalore City University | **CGPA: 9.05/10**

CERTIFICATIONS

IBM QRadar SIEM Foundation Badge | IBM Generative & Agentic AI Experienced Cybersecurity Engineer

CompTIA Security+ (*Expected 2026*) | AWS Certified Cloud Practitioner (*Expected 2026*)
